

Adrenalin Addo

ABOUT US

Situated in the heart of the Sundays River Valley, we are an outdoor activity centre that promises spectacular fun and adventure for everyone. From zip lining, giant swinging to canoeing, we cater for both the adrenalin junkies out there and the more adrenalin shy.

OUR ACTIVITIES

Double zip line:

- Not one but *two* 500 metre wires, makes this the highest, longest and fastest *double* zip line in South Africa.
- The tour begins with a short raft ride across the Sundays River followed by a 10 minute hike through indigenous bush up to an impressive vantage point high up above the Sundays River.
- Breath-taking views across a valley of citrus orchards are the reward from atop before it's time to get in position ready to *just let go*.
- With the wind in your hair, two twin zip lines fly you and one other over the river at up to 80km/h.
- An automated breaking system at the end means you do nothing but enjoy the ride.
- Weight restrictions: 20-120 kg.

Giant swing:

- The first of its kind in South Africa, this is the ultimate adrenalin rush.
- After being hoisted up 18 metres high, a sudden release has you free falling for several seconds before you begin one giant swing.

Canoeing:

- Self-hire canoes are an ideal way to paddle the Sundays River, take in its surrounds and embrace the river's song.
