

Discreetly positioned in the bush at the top end of an open valley in the reserve, each of the superlative en-suite, tented and thatched suites overlooks a watering point with big sky views. Each suite has a secluded private viewing deck with intimate plunge pool. Within the spacious interior hot and cold air-conditioning, an atmospheric fireplace, large oval bath and romantic alfresco double showers make this the perfect bush retreat.

The main lodge offers luxurious dining, splendid lounge areas and an expansive viewing deck with magnificent views of game-filled plains. Evenings are spent around the outdoor fireplace admiring the unspoilt African star-scape. The guest reception is at the colonial Reed Valley Inn, from where guests are transferred into the reserve to enjoy the comfort and elegance of the tented accommodation. Bush Lodge offers twice-daily expeditions by open 4x4 safari vehicles.
